He's not going to concede and it doesn't hinge on turnout. You haven't been paying attention if you think he's just going to give up.

Edit: Doomers downing voting, think for 30 seconds before you let your emotions wash over you. Trump stated multiple times there will NOT be a peaceful transfer of power IF there is fuckery with the election. There was. EO 13848 was drafted in 2018 and deals directly with election interference. Doesn't take a lab coat to figure this out. He's not leaving office.

Are you saying he has a plan we should trust?

How the fuck do you know his plan wasn't SCOTUS which totally screwed him?

Because there is an EO that reads like stereo instructions, dealing directly with election interference. Drafted in 2018. Trump and the military knew exactly what was going to happen. Trump told us multiple times, when asked if there would be a peaceful transfer of power, that it wasn't going happen if there was any fuckery and there was. It doesn't take a rocket scientist to piece it together. I did a write up on the EO 6 days ago. Read it then read the EO yourself. <https://thedonald.win/p/11R4STLUZU/trumps-tactical-nuke-has-been-si/c/>

Doesn't matter. Do not #TrustThePlan, ----> #BeThePlan

You trust Trump you trust the plan. Still going to DC but there is a plan. It's obvious to anyone that's been paying attention.
